SUMMARY

I'm a passionate full stack developer and a fourth-year student of Software Engineering with skills in HTML, CSS, JavaScript, React, Vue.js, Express.js, Node.js, Php and MySQL . I enjoy creating responsive, user-friendly websites and collaborating with designers and developers to build cohesive web experiences. Eager to expand my skills, I am proficient in Git and motivated to learn more.

EDUCATION

Mekelle University (2019 - Present)

Degree: Bachelor of Software Engineering

Relevant Courses

- Networking Concepts and Protocols
- Data Structures and Algorithms
- Database Systems
- Mobile Application
- Object-Oriented Programming
- Web Design
- Software Security
